9990	Psychology	Advanced Level	A*(a)	91 %

Explanatory Notes

This is General Certificate of Education (GCE) Statement of Results for Advanced Subsidiary Level (AS Level) and Advanced Level (A Level). Cambridge Assessment International Education reserves the right to amend the information on this statement. Results will be confirmed by the issue of a certificate.

GCE AS Level results are reported on a 5 point scale of grades: A(a), B(b), C(c), D(d) or E(e), grade A(a) being the highest and grade E(e) the lowest. UNGRADED indicates a candidate below that required for grade E(e). The content and difficulty of a GCE AS Level examination is equivalent to the first half of a corresponding GCE A Level.

GCE A Level results are reported on a 5 point scale of grades: A*(a), A(a), B(b), C(c), D(d) or E(e), grade A*(a) being the highest and grade E(e) the lowest. UNGRADED indicates a candidate below that required for grade E(e). Under some circumstances where a candidate has obtained for a GCE A Level the same mark as a grade E(e) or where a GCE AS Level grade has not been awarded for the subject.

The best Advanced Subsidiary or Advanced Level profile the result indicates the level at which the result was awarded for the syllabus.

NO RESULT indicates that a result cannot be issued because of absence for the whole or part of the examination in the syllabus or because of a candidate's failure to meet the requirements.

PENDING indicates that a result cannot be issued at present but will follow in due course.

The assessment of a language syllabus (Speaking component) is done on 'With Distinction in Speaking', 'With Merit in Speaking' or 'With Pass in Speaking'. Candidates who are reported on the Speaking component will have no record of their speaking performance unless on their statement of results or certificate.

The Percentage Grade Mark for GCE AS Level and GCE A Level is provided in addition to the grade for the syllabus. The Percentage Grade Mark is not the main mark awarded for the syllabus. It is a common scale for all syllabuses to allow whether the candidate's performance is closer to the top, bottom or middle of the grade. A Percentage Grade Mark is not provided where the candidate's result is ungraded, is Based on Pending, or where the candidate's A Level grade was determined based on performance in the AS component only.

Only grades A*(a) to E(e) achieved in GCE AS Level syllabuses will be reported on the certificate.

Only grades A*(a) to E(e) achieved in GCE A Level syllabuses will be reported on the certificate.
